Dear Colleagues and Friends,

It is our great pleasure to invite you to participate and to contribute to the success of the 3rd World Congress on Recurrent Pregnancy Loss (WCRPL) that will take place on 27-29 of June 2018, in Madrid.

Couples with RPL are seeking very much our help, when almost 50% of them do not have etiology. Additionally, other aspects are controversial.

The Third World Congress on Recurrent Pregnancy Loss 2018 is the perfect setting to get the most updated, state-of-the-art information on the latest developments in research and clinical practice in the main areas of recurrent pregnancy loss. It also gives you the opportunity to debate on controversial issues and to contribute, with your own voice.

The meeting will be stimulating, allowing each one of you the opportunity to meet and/or create your own professional network of colleagues and friends.

The world leaders in RPL will gather to give updated lectures in all spectra of RPL and this opportunity should not be missed.

This world congress will include lectures by invited speakers, original studies presentations, workshops, debates and case presentations as well as open discussions with the audience.

It is time for evidenced based strategies and new research!

We invite you to discover the assets of the town and make your stay most enjoyable and special.

On behalf of the Scientific and Organizing Committee, I look forward to welcoming you to what promises to be an exciting, meaningful and fruitful event.

Yours faithfully,

Prof. **Asher Bashiri**, President- WCRPL 2018
