

WCRPL 2018

The 3rd World Congress on
Recurrent Pregnancy Loss

www.WCRPL.com

Scientific Program

Wednesday 27.6.18	
07:30-08:00	Gathering & Registration
08:00-08:15	Opening Ceremony & Welcome Words Prof. Asher Bashiri (Israel) & Prof. William Kutteh (USA)
08:15-11:00	Session 1: RPL Guidelines & Overview Chairs: Prof. Asher Bashiri (Israel) & Prof. William Kutteh (USA)
08:15-09:00	Recurrent Pregnancy Loss - Overview and updates from the new ESHRE guidelines November 2017 Prof. Asher Bashiri (Israel)
09:00-09:30	The ASRM Guidelines for RPL and The New Algorithm Prof. William Kutteh (USA)
09:30-10:00	The endometrium and recurrent pregnancy loss Prof. Jan Brosens (UK)
10:00-10:30	Endometrial gene expression for immune profiling in women with recurrent pregnancy losses and multiple implantation failures Prof. Joanne Kwak Kim (USA)
10:30-11:00	Endometrial natural killer and plasma in unexplained primary infertility and IVF failures: An update from 7,000 patients Prof. Udo Market (Germany)
11:00-11:30	Coffee Break
11:30-13:30	Session 2: RPL & Latest Innovative Immunological Research Chairs: Prof. Bettina Toth (Austria) & Prof. Ole Christiansen (Denmark)
11:30-12:00	Immunological aspects in RPL and RIF Prof. Bettina Toth (Austria)
12:00-12:30	Are there subsets of RPL women where the effect of intravenous immunoglobulin is already documented? Analysis of data from 3 Danish placebo-controlled trials. Prof. Ole Christiansen (Denmark)
12:30-13:00	Autoimmune and cellular immune responses in women with recurrent pregnancy losses; Role of vitamin D Prof. Joanne Kwak Kim (USA)
13:00-13:30	Trophoblast-T cell communication via microRNAs transported in extracellular vesicles Prof. Udo Market (Germany)
13:30-14:30	Lunch Break
14:30-16:00	Abstracts - Oral presentation 1 Chairs: Prof. Asher Bashiri (Israel) & Prof. Prof. Joanne Kwak Kim (USA)
16:00-16:15	Coffee Break
16:15-18:15	Abstracts - Oral presentation 2 Prof. Ole Christiansen (Denmark) & Prof. William Kutteh (USA)
19:00-21:00	Welcome Reception

Thursday 28.6.18

08:00-10:30	Session 3: Endometrial Receptivity, Endocrinology Aspects & Lifestyle Chairs: Prof. Vasilis Tanos (Cyprus) & Dr. Avi Harlev (Israel)
08:00-08:30	Targeting endometrial progenitor cells for the prevention of RPL Prof. Jan Brosens (UK)
08:30-09:00	Obesity and RPL Prof. Eyal Sheiner (Israel)
09:00-09:30	Thyroid antibodies and RPL: to treat or not to treat Prof. Elias Dahdouh (Canada)
09:30-10:00	Endometritis - Update Prof. Ruth Lathi (USA)
10:00-10:30	Physically activity during pregnancy - To do or not to do? Prof. Asher Bashiri (Israel)
10:30-11:00	Coffee Break
11:00-14:30	Session 4: The Role of Genetics in RPL Chairs: Prof. Elias Dahdouh (Canada) & Prof. Ruth Lathi (USA)
11:00-11:30	Chromosomal analysis of the embryos. Current challenges Dr. Nasser Al Asmar Piñar (Spain)
11:30-12:00	Step by step technique of hysteroembryoscopy in RPL Prof. Vasilis Tanos (Cyprus)
12:30-13:00	Debate: Cons of PGS for RPL patients: Forget it Prof. Ruth Lathi (USA) Pros of PGS for RPL: Still an open debate Prof. Elias Dahdouh (Canada)
13:00-13:30	In situ embryo autopsy: comparing spontaneous abortion and RPL results Prof. Vasilis Tanos (Cyprus)
13:30-14:00	NLRP7 variants and reproductive wastage Prof. William Buckett (Canada)
14:00-14:30	Endometrial receptivity analysis in the improvement of clinical results Prof. Carlos Simón (Spain)
14:30-15:30	Lunch Break
14:30-15:30	Industry-sponsored Symposium
15:30-19:00	Session 5: Thrombophilia & Infection in RPL Chairs: Prof. Robert silver (USA) & Dr. Avi Harlev (Israel)
15:30-16:00	APLA syndrome & RPL Prof. William Kutteh (USA)
16:00-16:30	Hereditary thrombophilia & RPL, To screen? To treat? Prof. Robert Silver (USA)
16:30-17:00	Hyperhomocysteinemia and RPL Prof. Mala Arora (India)
17:00-17:30	Infection and recurrent miscarriage: current aspects and treatment options Prof. Bettina Toth (Austria)
17:30-18:00	Endometrial microbiome Prof. Carlos Simón (Spain)
18:00-19:00	Case presentation Session
	Moderator: Prof. Asher Bashiri (Israel) Panel: Cases submitted in advance - Presentation of the case, Open for discussion and questions (10-15 minutes per case - 7-10 cases)

Friday 29.6.18

Registration in advance	Meet The Expert Session - Here you can ask any question you have
07:00-08:00 10-15 participants in each meeting	Prof. Bettina Toth (Austria) Prof. Asher Bashiri (Israel) Prof. William Kutteh (USA) Prof. Elias Dahdouh (Canada) Prof. Ole Christiansen (Denmark) Prof. Robert Silver (USA) Prof. Mala Arora (India) Dr. Sotirios Saravelos (Hong Kong) Prof. William bucket (Canada) Dr. Avi Harlev (Israel)
08:00-11:00	Session 6: Infertility & RPL Chairs: Prof. Raoul Orvieto (Israel) & Prof. Mala Arora (India)
08:00-08:30	The continuum of Infertility and RPL Prof. Mala Arora (India)
08:30-09:00	Does Metformin Prevent Spontaneous pregnancy loss in PCOS Patients? Prof. Raoul Orvieto (Israel)
09:00-09:30	What is the relationship between diminished ovarian reserve and recurrent miscarriage? Prof. William Buckett (Canada)
09:30-10:00	Recurrent implantation Failure (RIF)- etiology and treatment modalities Prof. Asher Bashiri (Israel)
10:00-10:30	Does combination treatment with intravenous immunoglobulin and prednisone increase the live birth rate in patients with RPL after IVF/ICSI? Results of two Danish cohorts Prof. Ole Christiansen (Denmark)
10:30-11:00	The male factor in RPL Dr. Avi Harlev (Israel)
11:00-11:30	Coffee Break
11:30-14:00	Session 7: Anatomy Aspects & RPL Chairs: Prof. Arsen Gvenetadze (Georgia) & Dr. Avi Harlev (Israel)
11:30-12:00	The role of uterine malformations in recurrent pregnancy loss: Diagnosis with 3DUS and the real significance of arcuate uterus Dr. Carmina Bermejo (Spain)
12:00-12:30	The assessment of acquired uterine anomalies in women with RPL Dr. Sotirios Saravelos (Hong Kong)
12:30-13:00	Hysteroscopic Septectomy for RPL Patients: Clinical Experience Prof. Arsen Gvenetadze (Georgia)
13:00-15:00 Registration in advance	Industry-Sponsored Workshop
14:00-15:00	Lunch Break
15:00-18:00	Session 8: Unsolved Questions, Supportive Care & Future Frontiers of RPL Chairs: Prof. Eyal Sheiner (Israel) & Dr. Sotirios Saravelos (Hong Kong)
15:00-15:30	How do we lighten the load? Strategies to reduce the psychological burden associated with recurrent miscarriage Prof. William Buckett (Canada)
15:30-16:00	Unexplained recurrent miscarriage: how can we explain it? Dr. Sotirios Saravelos (Hong Kong)
16:00-16:30	Clinical approach to stillbirth Prof. Robert Silver (USA)
16:30-17:00	Recurrent pregnancy loss: a risk factor for long-term maternal atherosclerotic morbidity? Prof. Eyal Sheiner (Israel)
17:00-17:30	Which areas should be the focus of RPL research in the coming years? Thoughts of a co-author of the new ESHRE guidelines on RPL Prof. Ole Christiansen (Denmark)
17:30-18:00	Conclusion, Introduction of the 4th WCRPL 2019 & Farewell
